Keefer	PE Video Watch and Independent Work	A2 Math	A2 Science	BREAK	A2 ADVISORY Second Step SEL	A3 Math	A3 Science	LUNCH	Office Hours	Independent Practice Time/ Small Group/one on one or small group assessments	Prep and Collaboration

Times highlighted in yellow are live streaming ZOOM meeting times. Students will not be staring at their screens the whole time (even during the live sections) – there will be breaks and activities away from the screen during the times listed above. Regular attendance will be taken during each ZOOM meeting with the student actively participating in the live lessons.

CAPE will also host additional opportunities for Enrichment Classes (Art, Spanish, Music). These will be prerecorded each week and available via links through Google Classroom. We are also working with Mr. Luvi re: guitars and band and how to continue the program remotely
