Times highlighted in yellow are live streaming ZOOM meeting times. The kinder teachers are concerned with kinders having to log in and out of ZOOM multiple times per day. Students will not be staring at their screens the whole time – there will be breaks and activities away from the screen during the times listed above. Regular attendance will be taken with the student actively participating in the live lessons.

CAPE will also host additional opportunities for Enrichment Classes (Art, Spanish, Music, PE). These will be prerecorded each week and available via links through Google Classroom
